# Power BI kompetence opbygning

### Microsoft Debriefing

1. december 2022

## Just Thorning Blindbæk

- Self-employed BI consultant in justB
- Trainer at Orange Man
- Founder
  - Danish Microsoft BI Community (<u>MsBIP.dk</u>)
  - Power BI UG Denmark (<u>PowerBI.dk</u>)
- Strong focus on
  - Azure Bl architecture
  - Analysis Services
  - Reporting Services
  - Power BI
- just@blindbaek.dk / blog.justB.dk / @justblindbaek / youtube.com/c/justblindbaek

# Ásgeir Gunnarsson

- Microsoft Data Platform MVP
- Author of Pro Microsoft
  Power BI Administration
- Chapter leader of the Icelandic PASS chapter and Power BI UG
- Very experienced speaker and expert in Power BI governance

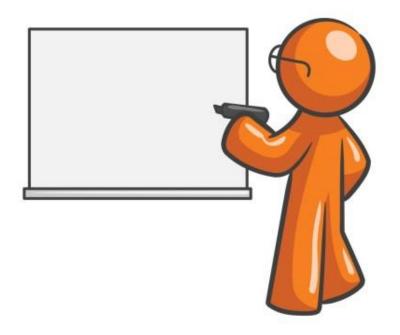

asgeir@northinsights.com / blog.northinsights.com / @bidgeir

## Agenda

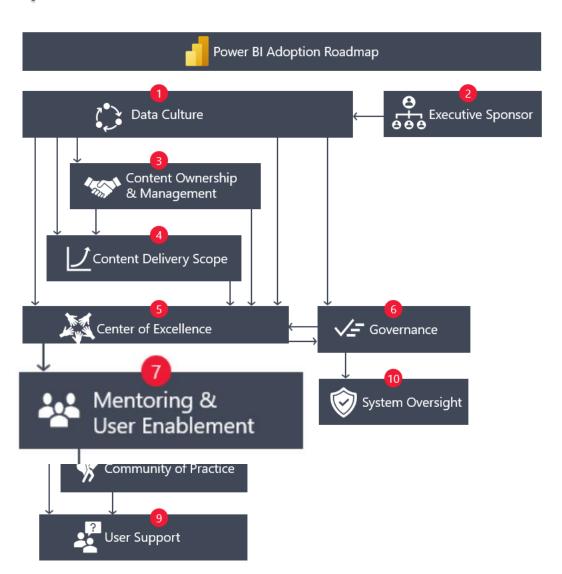

- Power BI Adoption Framework
- Opbygge Power BI kompetencer
- Fokus på interne brugere
  - Data creator
  - Report creator
  - Content owner
  - Content consumer
- Klassiske kurser, udvalgte online ressourcer, how-to videoer, community møder m.m.
- Inspirations værktøj til Power BI kursus moduler

## Power BI Adoption Roadmap

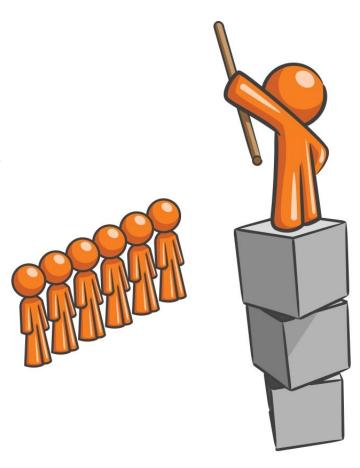

- ► En række strategiske og taktiske overvejelser
- Handlingspunkter, der direkte fører til en vellykket implementering af Power BI
- Hjælp med at opbygge en datakultur i din organisation
- Mere end at implementere teknologiske funktioner

## Power BI kompetence opbygning

- Kompetence opbygning er meget vigtigt
  - Både i værktøjet
  - Og i processer og standarder
- Husk også fokus på at vedligeholde kompetencer. Power BI udvikler sig hurtigt!
- Find den rigtige metode
- ▶ Træn alle ikke kun udviklerne

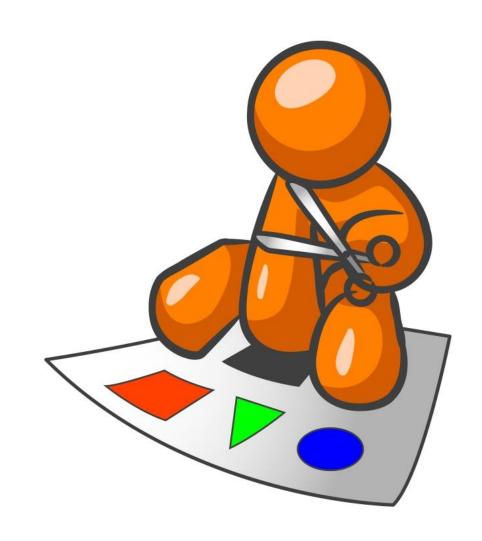

- Data creator
- Report creator
- Content owner
- Content consumer
- Power BI administrator
- Data Governor
- Data Architect

- Data Architect

## Metoder til kompetence opbygning

- Office hours / Åben café
- Standarder/processer for udvikling, sikkerhed, publishering m.m.
- Afholdelse af interne community møder
- Sam-udvikling projekter
- Review og gennemgang af best practices
- How-to videoer på centrale vigtige emner
- Self-paced og traditionelle kurser med underviser
- Links til udvalgte online ressourcer

## Udvalgte online træning ressourcer

- Microsoft Learn training: <a href="https://learn.microsoft.com/en-us/training/powerplatform/power-bi">https://learn.microsoft.com/en-us/training/powerplatform/power-bi</a>
- ▶ Power BI in a day materiale: <a href="https://aka.ms/pbitraining">https://aka.ms/pbitraining</a>
- ► Virtual workshops: <a href="https://www.microsoft.com/en-us/store/workshops-training-and-events/detail/get-started-with-power-bi-desktop">https://www.microsoft.com/en-us/store/workshops-training-and-events/detail/get-started-with-power-bi-desktop</a>
- SQLBI Introduction to Data Modeling for Power BI Video Course: <a href="https://www.sqlbi.com/p/introduction-to-data-modeling-for-power-bi-video-course/">https://www.sqlbi.com/p/introduction-to-data-modeling-for-power-bi-video-course/</a>
- Guy in a Cube på YouTube: <a href="https://www.youtube.com/c/GuyinaCube">https://www.youtube.com/c/GuyinaCube</a>
- ▶ Power BI kursus moduler: <a href="https://orangeman.dk/power-bi/">https://orangeman.dk/power-bi/</a>

#### Power BI kursus moduler

- Inspirations værktøj til
  - Alle former for kurser
  - Indlæg på interne community møder
- Mere end 60 moduler
  - Kategoriseret efter rollerne
  - Opdelt på niveau
- Kan sammensættes eller afvikles individuelt
